

Government & Power Structure

Rule is exercised by the **High King of Anaar**, with executive power supported by a **High Council** comprised of military, arcane, administrative, and clan leaders. Law is rigid and layered—justice is swift and absolute. All residents are expected to submit to **The Law of the Banner**, a divine-legal code that even nobles are subject to.

Key figures:

- **High King Otto Hillingham**: Current ruler, devout leader, figure of stability.
- **Queen Marozia Hillingham**: Civic leader and public figurehead.
- **High Mage Orphior Thadali**: Arcane authority, runs the Spellcaster Battalion.
- **Lt. Col. Ayduin Romys**: Oversees the city's outer wall defenses.
- **Solas Dalmorrhaine**: Head of Project Oversight—controls infrastructure and expansions.
- **Brassforge Enclave**: Seven dwarven clan leaders representing guild rights and trade interests.
