- **Woodland Intrusions:** Employed illusions to torment Vulmar Ventriss and delved into Gokher Wraitharm's mind.
- **Krezk Massacre:** Unleashed fury at the St. Markovia Pool—conjuring lightning, fog, bats, wolves, and decimating residents.
- **Dinner at Castle Ravenloft:** Extended hospitality then threatened to seize everything the group loved—including a choice between saving Vallaki or Errich Leagallow.
- **Battle of Ravenloft:** Summoned beasts, vampire spawn, a Roc, werewolves, and weather to his defense. Ultimately felled by Vulmar's lightning magic amid heavy casualties.
